

Get Set Story

Animals in the Cold

by Sam Wallis

It is cold here. It is not hot
in the sun.

Lots of animals live here.
They do not see buds and flowers.

Look! A big animal can dig a den.
It can **pick** up its cub and go in.

Birds fall in and go for a dip.
They will get wet.

A den is full of fox pups.

They are not cold in the den.
